

April 13, 2008 "The Reality of Abundance" - Rev. Carlene Wood

- Jesus is the source of all abundance.
- Abundance is the result of an intimate relationship with God, through Jesus.
- The more intimate the relationship, the greater the abundance.
- Behavior has nothing to do with it. You cannot earn abundance.
- The quality of our relationship is most important.
- Abundance manifests itself in gratitude and generosity.
- Results of an intimate relationship with God: peace, love.
