

## **April 20, 2008 "Chosen for Greatness" - Rev. Sandi Rice**

- The Trinity serves as an image of us bringing our facets together.
- We have to continue the work He started – using the resources we have (or talents, skills, etc.).
- We are called to "greater works"; working together to do God's work on earth. [Example: AA}.
- We have been chosen.
- What works are we supposed to do? Find out who are are through Jesus – our task is to figure it out.
- "Holy Discontent" could be our calling – if there is something you react to strongly, makes you angry, annoyed, etc.
- Accept the challenge. Start seeking.
