

October 7, 2007 "Just Do What God Asks" - Rev. Sandi Rice

- * Who do we influence, and who influences us?
- * Recalling times of spiritual connection is important
- * Find your own individual way to connect
- * Connection = Power - God will see me through anything
- * Sometimes it's hard to know God's will; use others as a mirror (fellow "journeyers").
- * Our gifts are not to be sources of angst, but enable us to do what God would have us do
